

Don Ruffles Limited

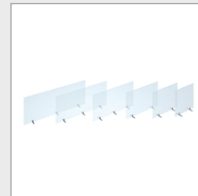

PRODUCT DATA SHEET

Free standing acrylic 700mm high screen with black metal feet 800mm wide

AHFS800-K

Our acrylic desktop protection screens reduce the risk of airborne germs between colleagues whilst still enabling them visibility. Protection is made from 5mm clear acrylic and is supported by sturdy metal feet to retro-fit to existing worktops. These screens are easy to install, maintain and disinfect and provide a professional solution that is easy to place and move for the office, desk, reception or counter to create a safe separation between employees and customers/visitors.

PRODUCT FEATURES

- Acrylic free-standing desk screens with easy assembly for instant protection
- Supplied with metal feet for perfect stability on the worktop
- Ensures users are separated but can maintain visual contact
- Clear screens, easy to maintain & supports anti-bacterial cleaning
- High screens to maintain social distancing guidelines and limit the risk of airborne germs between colleagues
- Protective screen solutions to help keep employees safe, healthy and improve wellbeing in the modern office
