100ml e 3

ANTI-BACTERIAL FOGGER is tested to BS EN 1276, 1650 & 14476 & is effective against 99.9% of bacteria, yeast & enveloped viruses including coronavirus, & leaves a clean and fresh fragrance. ANTI-BACTERIAL FOGGER is a perfect solution where an area needs to be sanitised quickly such as vehicles & small cubicles. Within 15 minutes, all surfaces will have an anti-bacterial layer and the air will have been sanitised.

Application Instructions

Shake can well before use. Do not use when humans or animals are in the area. Place can in the rear foot well of the vehicle, with front seats slid forward. Ensure upright on a level surface. Allow the spray to work for 15 minutes. After use, open windows and doors to allow vehicle to ventilate for a further 15 minutes.
