200ml e 3

HAND SANITIZER SPRAY has been tested to BS EN 1276, 1650 & 14476 & is effective against 99.9% of bacteria, yeast & enveloped viruses including coronavirus. It will leave your hands with a fresh and safe feel. The spray can also be used as a surface spray on computer keyboards, phones and other electronic devices.

Application Instructions

Shake can well before use. Spray onto hands or area to be cleaned. Do not spray on broken or damaged skin. Do not spray near eyes. Rub hands together on the front and back in a washing action. When applying to surfaces, spray a fine mist across the surface, wait for 2 minutes and then wipe excess off with a cloth. Repeat for difficult areas. Test for colourfastness on an inconspicuous area first. Please note: The product is an active solution with high alcohol content, soothing emollients & bactericide. Avoid applying to broken skin. May cause cause dryness or irritate sensitive skin. If skin is irritated discontinue use.
