Power Spray 70

- 70% alcohol for best results
- High pressure spray
- Hard surface cleansing
- Fast acting & colourless

POWER SPRAY 70 is a special formula containing 70% alcohol. Powerful multi-purpose cleaning spray for super quick application that is fast acting & colourless. This combination of alcohol and water is effective against bacteria, yeast and enveloped viruses.

Application Instructions

Clean and remove all physical signs of dirt before spraying the surface. For best results, spray and leave for 5 minutes, then wipe off any surplus spray with a clean cloth. If in doubt of surface being cleaned please test first on an inconspicuous area. Do not use on electrical equipment or PC/VDU screens
