## Power Spray Foam Sanitizer

- Contains active ammonium salts
- High pressure foam
- For hard & soft surface cleansing
- Fast acting
- Leaves a fresh, clean fragrance

POWER SPRAY FOAM SANITIZER is a special formula of solvents, water and quaternary ammonium salt for extra effect. Powerful multi-purpose cleaning and sanitising foam for super quick application that is fast acting & colourless. The foam leaves a fresh and clean fragrance. This combination of ammonium and water is effective against bacteria, yeast and enveloped virusus.

### Application Instructions

Clean and remove all physical signs of dirt before spraying the surface. For best results, spray and leave 15 minutes and then wipe off with clean cloth.

If in doubt of surface being cleaned please test first on an inconspicuous area.  
Do not use on electrical equipment or PC/VDU screens
