Stand alone Anti virus Protection Screen

This new stand alone anti virus protection screen is designed to act as a protective shield to help reduce the transmission of viruses and germs. Suitable for a variety of commercial environments

• Standalone desk screen with hinged acrylic panels and sturdy satin anodised framing

• High impact resistant polycarbonate panel conforms to BS6206 safety glazing and is flame retardant to BS476, part 7, Class B

• Polycarbonate panel thickness 3mm

• The screen is 1300mm (w) x 1000mm (h), comprising 3 panels.

• The side panels are 300mm x 1000mm and the main panel 700mm x 850mm with a gap 700mm (w) x 150mm (h) at the bottom to pass items through.

• High hygiene standards can be maintained; all surfaces are non-porous and can be wiped down. A non-abrasive cleaner is recommended

• Suitable for protecting staff and customers in the retail, trade, office, leisure and healthcare sectors: supermarkets, convenience stores, leisure centres, pharmacies and other commercial settings.

• This product is bespoke and made to order and non-returnable.
